Join us this summer as we serve the poor migrant worker families in Eastern Shore, Virginia. Migrant workers are men and women who come from other countries (we will mostly work with people from Central America and Haiti) to work all day in the fields picking crops.

WHAT TO EXPECT

Our domestic youth mission includes prayer, praise and worship, formational talks, group reflection and sharing, and of course, serving the poor and those in need in a tangible way. We provide materials for the mission preparation. In most cases we are able to accommodate youth groups bringing up to 25 youth plus adult leaders or chaperones. Youth must be of high school age.

Fee covers: transportation, mission materials, room and meals. Guys and girls will be housed in separate areas, sleeping on the floor of a church.

Transportation to Onley must be provided on your own. Your team should arrive by 4:00 pm on July 29th and we will return late morning on August 4th.. Times subject to change.

Do not be afraid to go and to bring Christ into every area of life, to the fringes of society, even to those who seem farthest away, most indifferent. The Church needs you, your enthusiasm, your creativity and the joy that is so characteristic of you.

'Do not be afraid!' When we go to proclaim Christ, it is he himself who goes before us and guides us. When he sent his disciples on mission, he promised: 'I am with you always' (Mt 28:20). And this is also true for us! Jesus does not leave us alone, he never leaves you alone! He always accompanies you.'

POPE FRANCIS, RIO 2013
